

# Religious Studies

**Study with committed scholars passionate about their work and their students, who will invest in your education and spiritual growth**

Dive deeply into the Bible, explore the history of Christian traditions around the world, and learn about major world religions – all from a thoughtfully evangelical Christian perspective. Experience the Middle East, Europe, and India with your professors on a study-abroad program and put your education to work in practicum courses in churches, parachurch organizations, and more in Santa Barbara and at Westmont in San Francisco.
