Has your group submitted a proposal in the past? Yes No If so, when? Most likely.

Describe the nature of your project (Target population, number of students involved, length of project, etc). Our target population is the Eastside community of Santa Barbara, particularly the kids so they will have a safe and fun place to trick or treat on Halloween night. The direct number of students involved is 3, however, the rest of OV would love to get involved as well. The length of the project would be one night, roughly from 6-10 pm.

What do you hope to achieve with this project? I hope to get the students living in OV to get involved in community engagement. As a student in the Westmont Downtown program, this has become something that is very important to me, and I know how much everyone living in the Eastside neighborhood would be very appreciative of it. The idea is to provide a safe place for kids to trick or treat, and encourage some more Westmont immersion and investment into relationship with our neighbors.

How much money are you requesting from WCSA? (Please provide an itemized budget) Item Amount  
Supplies (decor) \$700 Candy (for all OV residents) \$200 Bouncy House \$500 Painting and games \$100

**TOTAL: \$750** Westmont College Mission Statement Westmont College is an undergraduate, residential, Christian, liberal arts community serving God's kingdom by cultivating thoughtful scholars, grateful servants and faithful leaders for global engagement with the academy, church and world. WCSA Mission Statement: WCSA is the voice that represents the diverse views, beliefs, needs, and desires of our student body. How does your project relate to the mission of the college and WCSA? It promotes community engagement with the surrounding neighborhoods of OV and allows for a peaceful and safe Halloween night. We are welcoming of everyone in the neighborhood, serving for the glory of God and seeking to bring people together in the love for the kingdom.
