**Describe the nature of your project (Target population, number of students involved, length of project, etc).** For the past several years WCSA and College Advancement have partnered together to make scholarship and learning events available to students. The Will Wiersma Golf Tourney is in memory of Will Wiersma who was killed shortly after graduating from Westmont 10 years ago. Over the past 10 years OCA, WCSA, alums and local businesses have partnered together to raise over \$165,000 for this student scholarship. 8 students are involved in this event. The Lead Where You Stand Conference ([www.westmont.edu/lead](http://www.westmont.edu/lead)) each year has approximately 20 students (current and recent graduates from the May) attend the conference which exposes students to leadership training. The speakers this year are Doris Kearns Goodwin, David Brooks, Lynda Weinman (Lynda.com) and President Beebe along with numerous faculty and business and community leaders.
