Other

- Potential [WCSA Statement](#) (President Grierson) - 6:20
 - Hannah– leading discussion about revision of public statement, edits email by providing links that brings in all different sources of news on the trial
 - Mitchell– discussing potential pushback that the statement may receive, reinforces his belief that it is important of keeping the message student-oriented, wants to be open to representing all individuals in his hall rather than taking one side on the verdict,
 - Mika– expresses support and encouragement for keeping the message the same, wants to keep the statement supporting students of color
 - Hans– suggests adding a statement about the specific jury details
 - Sam– explains how complex the situation is, it's more than just one piece of the systemic puzzle, suggests maybe choosing an aim and editing the word choice of email
 - Mercy– brings up the option of not needing to put out a public statement just to stick to the precedent, questions the goal of the statement and the precedent we set
