

WCSA Funding Proposal Form

Any Westmont student, faculty or staff member is eligible to submit a funding request to WCSA. WCSA strives to utilize its budget to meet the needs of our campus and our student body. Past proposals have included funding the purchase of fruit trees for the Westmont garden and partnering with the library to provide coffee and snacks during finals week. Funds have also supported student initiated events such as film festivals and movie screenings.

Each proposal is examined by WCSA. Then, WCSA will vote on whether to approval the proposal. You will be notified by e-mail regarding the decision on your funding proposal generally within two weeks.

Guidelines:

Be thorough in filling out the funding proposal form. Please provide as much detail as possible regarding the purpose of the request and funding desired. Failure to do so may result in a delay.

Funding proposals need to be submitted at least 2 weeks prior to request need or event. Funding proposals outside of this time frame may still be submitted but are they are unlikely to be approved.

If you are requesting funds for a campus event, please complete the event proposal form on the Campus Life Office website prior to completing a WCSA funding proposal. All events must be approved and sponsored by a campus department or student organization prior to receiving funding.

You are highly encouraged to come to clarify the purpose of your funding proposal at the meeting following your request submission. This is to prevent any delays in funding your request.

If your funding proposal is approved, it is imperative that you present WCSA the receipts of your purchases. Failure to produce receipts could result in WCSA concluding to suspend an individual's or organization's ability to request funding.

Please see the WCSA Website (<https://www.westmont.edu/student-life/campus-activities/westmont-college-student-association>) for FAQs.

Describe the nature of your project (Target population, number of students involved, length of project, etc.) *

We've tentatively selected *The Common Rule: Habits of Purpose for an Age of Distraction* by Justin Whitmel Earley for a Westmont Summer Reads book. We'd like to purchase 100 or so books for student giveaways next month. Would WCSA partner with Campus Life and the Martin Institute to purchase these books?

What do you hope to achieve with this project? *

This book offers GREAT practical, accessible, and compelling suggestions of habits to practice that can re-orient us to love of God & neighbor in this busy, complex culture. They are meant to be practiced in community and it will be powerful to offer ways for students to consider these at Westmont while they live residentially.

How much money are you requesting from WCSA? Please provide an itemized budget (item, price, and total amount). *

Asking for \$540 would cover the purchase of 50 books at a discount price of \$10.80 directly from IVP Books.

How does your project relate to the mission of the college and WCSA? (Mission statements are at the top of this form) *

There's nothing more important in this age of distraction than developing regular habits that lead us back to God's truth, love and grace. I believe this book will help plant seeds for healthy choices that lead to resilient discipleship.
